7/2/2015	Brewers	Loss	7-8	27-54	-17.0	Odubel Herrera	His three 3-hit game gives him two multi-hit games in a row.	Maikel Franco	He took a big 0 for 6 collar in this one.
7/1/2015	Brewers	Loss	5-9	27-53	-17.0	Maikel Franco	He kept stroking doubles and producing runs despite the Phillies lowly circumstances.	Aaron Harang	He gave up 8 earned runs on 14 hits. At least he only walked one.

6/22/2015	Yankees	Win	11-8	25-47	-13.0	Maikel Franco	Had career highs of four hits and five RBI and made a fabulous diving play to help the Phils snap a 12-game road skid.	Kevin Corriea	Allowed the Yankees to remain in the game by giving up 5 runs in just 4 innings.

6/18/2015	Orioles	Win	2-1	23-45	-13.0	Ryan Howard	His two-run homer ended the Phils' 9 game losing streak.	Chase Utley	When it's mid-June and your average is still below 0.200, it's never good.
6/17/2015	Orioles	Loss	4-6	22-45	-14.0	Luis Garcia	After the Phils closed their deficit to the Orioles to two runs in the 7th, he came in and threw a shut down 8th inning.	Kevin Corriea	His inability to pitch out of trouble sealed the Phillies' fate in the 4th inning.

6/13/2015	Pirates	Loss	3-4	22-41	-11.0	Ben Revere	With a 3 hit game his average is up to .275. Hopefully this makes him tradable.	Carlos Ruiz	The 3 days of rest he just received didn't really do him any good.

6/12/2015	Pirates	Loss	0-1	22-40	-11.0	Kevin Corriea	It was an effective season debut for the new Phillie, who threw 5 2/3 shutout innings and also collected a hit at the plate.	Jeff Francoeur	Had several opportunities to deliver a hit to give the Phils the lead, but failed in all three of his chances with runners in scoring position.
6/10/2015	Reds	Loss	2-5	22-39	-10.0	Cameron Rupp	Led the Phillies' offense with a double and a couple of RBI.	Jerome Williams	He has been consistently mediocre all season.
6/9/2015	Reds	Loss	2-11	22-38	-9.5	Carlos Ruiz	Another solid offensive game for the Phillies' back stop. He must be on the Adderall again.	Aaron Harang	MLB sluggers are lining up for his services to be their personal pitcher at the upcoming Home Run Derby.
6/8/2015	Reds	Loss	4-6	22-37	-9.5	Carlos Ruiz	He tied the game with a 2 run single in the fourth and also scored a late inning run after working a walk.	Chase Utley	It just keeps getting uglier and uglier.
6/7/2015	Giants	Win	6-4	22-36	-9.0	Jeff Francoeur	Drove in two runs with a pinch-hit, two-out double in the seventh inning to help Philadelphia rally past the Giants, and stave off a series sweep.	Chase Utley	Hi batting average is back below the .200 mark once again.
6/6/2015	Giants	Loss	5-7	21-36	-9.5	Jeff Francoeur	He drove a 1-0 pitch off the reigning World Series MVP into the seats in left field for his second career grand slam.	Severino Gonzalez	Gave up six runs in just 2 2/3 innings.
6/5/2015	Giants	Loss	4-5	21-35	-9.5	Ryan Howard	The only Phillie with a hit with a RISP in this game.	Jeff Francoeur	The Phils continue to get very little production out of the 2-hole of late.
6/4/2015	Reds	Loss	4-6	21-34	-9.0	Ben Revere	The league leader in triples ended the game a home run short of a cycle.	Ryan Howard	After a hot month of May, he has cooled off considerably in June.
6/3/2015	Reds	Win	5-4	21-33	-8.5	Maikel Franco	He may only be batting .225, but the hits he's getting are extremely clutch in nature.	Jake Diekman	This guy must have pictures of somebody. There's no other explanation as to why he is still in the Major Leagues.
6/2/2015	Reds	Win	5-4	20-33	-9.5	Maikel Franco	His 2 run homer in the eighth tied up the game.	Freddy Galvis	Went 0 for 4, is hitless in his last 17 at-bats, and since May 15, he is batting just .138.
5/31/2015	Rockies	Loss	1-4	19-33	-10.0	Jeanmar Gomez	He pitched 2 strong innings to keep the Phillies in the game. Perhaps he deserves a promotion to the later innings, but then again it doesn't usually matter by that point in time.	Ben Revere	When it doesn't go well at the top of the order, it usually doesn't go well at all.
5/30/2015	Rockies	Loss	2-5	19-32	-10.0	Cesar Hernandez	His pinch homer was too little too late, but he was one of the few productive Phillies in this one.	Luis Garcia	He gave up 2 runs in an inning or less for the second game in a row.
5/29/2015	Rockies	Loss	1-4	19-31	-10.0	Cole Hamels	He is still giving up home runs at an alarming rate (2 more in this game), but he was utterly effective otherwise.	Ryan Howard	Faced only 8 total pitches in 4 fruitless plate appearances.
5/27/2015	Mets	Loss	0-7	19-30	-10.0	Ben Revere	With 2 hits in the game, he did his job from the lead-off spot.	Sean O'Sullivan	He couldn't even keep the opposing pitcher in the ballpark.
5/26/2015	Mets	Loss	4-5	19-29	-9.0	Maikel Franco	He had a huge 8th inning, with a go-ahead RBI single in the Top half and a game saving bare hand throw across the diamond in the bottom half of the inning.	Ryan Howard	The only time he put the ball in play in 5 at bats, he hit directly into the shift once again.

5/25/2015	Mets	Loss	3-6	19-28	-9.0	Chase Utley	He had a couple of clutch hits and drove in 2 of the Phillies' 3 runs.	Justin DeFratus	Sandberg needs to stop worrying so much about righty/lefty matchups and just put someone out there who can pitch.
5/24/2015	Nationals	Loss	1-4	19-27	-8.0	Jeff Francoeur	The only Phillie with multiple hits and the only Phillies' RBI.	Cesar Hernandez	He struck out 3 times and stranded runners in scoring position twice.
5/23/2015	Nationals	Win	8-1	19-26	-7.0	Cole Hamels	Won his fourth straight start, and has a 1.53 ERA during that stretch.	Chase Utley	Playing better of late, but he didn't do much in this game when the rest of the Phillies offense raked.
5/22/2015	Nationals	Loss	1-2	18-26	-8.0	Odubel Herrera	He faced the most pitches of anyone in the lineup, and perhaps that correlated to him having the most success.	Carlos Ruiz	He no longer hits for power, his defense is average at best, and his pitching staff doesn't look nearly as good as when he had guys like Halladay and Lee.
5/21/2015	Rockies	Loss	3-7	18-25	-7.0	Darin Ruf	Drove in 2 of the Phillies' 3 runs.	Jerome Williams	Gave up five runs over five innings and is beginning to look like the weak link in the Phillies' starting rotation.
5/20/2015	Rockies	Win	4-2	18-24	-6.0	Ryan Howard	Had a home run among his 3 hits to key the Phils' offense in this one.	Ben Revere	Fortunately the middle and bottom of the Phillies order was able to make up for the deficiencies at the top.
5/19/2015	Rockies	Loss	5-6	17-24	-6.5	Maikel Franco	His 3 hits and 3 RBI make up for a first inning throwing error.	Ryan Howard	He had several chances to deliver a big hit, and he wasn't able to deliver.
5/18/2015	Rockies	Win	4-3	17-23	-6.5	Cole Hamels	He went 7+ strong innings with the only mishap occurring when his manager failed to instruct him to walk the 8-hole hitter to get to the pitcher in the 2nd inning. Honorable mention to Odubel Herrera for knocking in the go ahead runs in the 6th.	Grady Sizemore	Doesn't Sandberg know the 3-hole is for your team's best, most consistent hitter?
5/17/2015	Diamondbacks	Win	6-0	16-23	-6.5	Sean O'Sullivan	Tossed 6 shutout innings for his first major league win since May 12, 2011. Honorable mention to Maikel Franco who collected his first career triple and first career home run in consecutive at bats.	Andres Blanco	His 0 for 5 performance on 12 pitches faced validates the question many of us have - Why is he batting in the 2 spot instead of Herrera or Hernandez?
5/16/2015	Diamondbacks	Win	7-5	15-23	-6.5	Jonathan Papelbon	On a night when no Phillies pitcher yielded a walk, he finished the game with a perfect ninth.	Odubel Herrera	He struggled in his chance to bat lead-off, going 0 for 5, and 0 for 2 with RISP.
5/15/2015	Diamondbacks	Win	4-3	14-23	-6.5	Freddy Galvis	Reached base safely in 3 of his 4 plate appearances knocking in 2 and scoring 2, including the game winner.	Ben Revere	As if his 0 for 5 night, including 0 for 3 with RISP wasn't bad enough, striking out on ball outside the zone with runners on second and third and none out was particularly egregious.
5/14/2015	Pirates	Win	4-2	13-23	-7.5	Aaron Harang	Scattered five hits over eight scoreless innings.	Chase Utley	Perhaps it's time to move him out of the 3-hole in the lineup?
5/13/2015	Pirates	Win	3-2	12-23	-8.5	Freddy Galvis	Delivers the game winning RBI in the 5th.	Chase Utley	His "modest" four-game hit streak comes to an end.

5/12/2015	Pirates	Loss	2-7	11-23	-9.5	Ben Revere	His RBI hit and aggressive base running in the 6th led to the Phillies' only 2 runs of the game.	Luis Garcia	After the Phillies claw their way to within a run, he promptly walks the first two batters he faced. They both score along with 2 others giving the Pirates a five run lead, and effectively the win.
5/11/2015	Pirates	Loss	3-4	11-22	-9.5	Grady Sizemore	Two hits with runners in scoring position, leading to two RBI.	Carlos Ruiz	An inning after the Phils had pulled to within a run, his throwing error led to an important Pirates insurance run.
5/10/2015	Mets	Loss	4-7	11-21	-9.5	Cesar Hernandez	He delivered a pinch RBI single in the 7th, and added a leadoff single in the 9th for good measure.	Ryan Howard	With the bases loaded in the 7th and a chance to tie the game or take the lead, he characteristically grounded out into the shift.
5/9/2015	Mets	Loss	2-3	11-20	-8.5	Luis Garcia	Has been quietly effective for the Phils in the chances he has been given.	Odubel Herrera	After a hot start to the season, he has cooled considerably.
5/8/2015	Mets	Win	3-1	11-19	-7.5	Cole Hamels	Went 7 strong innings, giving up only one run and adding a sacrifice bunt at the plate. Honorable mentions go to Freddy Galvis who had 3 hits and 2 steals, and Ryan Howard with 2 hits, including a homer, and 2 RBI.	Chase Utley	And after 3 days, he did not rise from the dead.
5/6/2015	Braves	Loss	5-7	10-19	-8.5	Ben Revere	Had four hits, including a career-high three doubles.	Cody Asche	After ending April with a 0.301 average, he is down to 0.245 just 6 days into May.
5/5/2015	Braves	Loss	0-9	10-18	-7.5	Cesar Hernandez	He collected the Phils' first bunt single of the year and his team leading 9th walk of the season.	Cody Asche	His error in the 4th opened the floodgates for a big inning.
5/4/2015	Braves	Win	5-2	10-17	-6.5	Jeff Francoeur	The "fourth" was certainly with him on Star Wars Day.	Odubel Herrera	He wore a big 0 for 5 collar at the plate on the night.
5/3/2015	Marlins	Win	6-2	9-17	-7.0	Justin DeFratus	He struck out 3 on 10 pitches in the 6th to give the Phillies the shut down inning they desperately needed.	Chase Utley	If a .200 batting average is considered the "Mendoza Line," they are going to start referring to 0.100 at the "Utley Line."
5/2/2015	Marlins	Loss	0-7	8-17	-8.0	Grady Sizemore	Collected the Phillies' only extra base hit in the game.	Cody Asche	The inevitable can be delayed no longer. The Maikel Franco watch is officially on.
5/1/2015	Marlins	Loss	3-4	8-16	-8.0	Chase Utley	On the night he appeared in his 1,500th game, one shy of tying Granny Hammer for No. 10 on the Phillies' all-time list, he accounted for all the Phillies' runs with a 3 run homer.	Freddy Galvis	Went 0 for 3 at the plate with an error in the field.
4/30/2015	Cardinals	Loss	3-9	8-15	-7.0	Darin Ruf	He did more in one game in the 3-hole than Chase Utley has done in the last week. He needs to play more.	David Buchanan	The first Phillies pitcher to lose his first five starts in a season since Kyle Abbott in 1992.
4/29/2015	Cardinals	Loss	2-5	8-14	-7.0	Odubel Herrera	The only Phillie with multiple hits. The only Phillie to get a hit with RISP.	Ben Revere	His failed sacrifice bunt attempt and his base running blunder in the 5th inning were critical mistakes.
4/28/2015	Cardinals	Loss	5-11	8-13	-7.0	Odubel Herrera	Is leading the league in just about every offensive category for rookies.	Severino Gonzalez	So much for the effectiveness of the "Pan-Am Connection."

4/27/2015	Cardinals	Win	4-1	8-12	-7.0	Carlos Ruiz	Paced the Phillies' offense with 4 hits and 2 runs scored. He also threw out a runner trying to steal. Honorable mention to Cole Hamels for 7 innings pitched yielding only one run, a hit at the plate and a key sacrifice bunt.	Jeff Francoeur	Time to try someone else in the clean-up spot.
4/26/2015	Braves	Win	5-4	7-12	-7.0	Ryan Howard	This was his second straight game with a home run. Trade him now!	Cameron Rupp	His batting average (0.136) is approaching Chase Utley Territory (0.121).
4/25/2015	Braves	Loss	2-5	6-12	-8.0	David Buchanan	A solid effort on his part was deserving of a win.	Jake Diekman	Not only did he fail to hold the lead in the 7th, he failed to keep the deficit at a single run in the 8th.
4/24/2015	Braves	Win	1-0	6-11	-7.0	Aaron Harang	Had as many sacrifice bunts as hits allowed. Honorable mention to Freddy Galvis for his 3 hits and winning run scored.	Ryan Howard	Another 0 for 4 game which included 0 for 3 with RISP.
4/23/2015	Marlins	Loss	1-9	5-11	-8.0	Darin Ruf	He gave the Phillies their best chance to score an early run with a second inning double.	Andres Blanco	Galvis is batting over 0.300, playing solid defense, and is only 25 years old. He's not playing every day why?
4/22/2015	Marlins	Loss	1-6	5-10	-7.0	Cody Asche	He accounted for the lone Phillies run with a homer.	Odubel Herrera	His misplayed fly ball in the 8th inning gave the Marlins 3 runs and cost the Phils any chance to win the game.
4/21/2015	Marlins	Win	7-3	5-9	-6.0	Ryan Howard	His first home run of the season gives him half as many RBI on the year as Freddy Galvis.	Grady Sizemore	Dominic Brown can't get back soon enough.
4/19/2015	Nationals	Loss	1-4	4-9	-6.0	Freddy Galvis	Collected the Phillies' only RBI in the game.	Jeff Francoeur	As bad as Ryan Howard has been in the clean-up spot, he hasn't been much better.
4/18/2015	Nationals	Win	5-3	4-8	-5.0	Odubel Herrera	Getting on base, stealing bases, and scoring runs - now this is a leadoff hitter.	Cameron Rupp	One of six Phillies' position players who played on Saturday and ended the day with a batting average below 0.170.
4/17/2015	Nationals	Loss	2-7	3-8	-5.0	Ryan Howard	He actually delivered a hit with a runner in scoring position while the game was still in doubt.	Chase Utley	His batting average in 0.330 points lower than it was at this point in the season last year (0.132 now vs. 0.462 then).
4/16/2015	Nationals	Loss	2-5	3-7	-4.0	Freddy Galvis	His RBI triple in the 3rd inning allowed the Phils to tie the game.	Cole Hamels	With 2 more home runs allowed, another balk, and 4 walks, it looks like Phillies fans won't have to worry about him being traded.
4/15/2015	Mets	Loss	1-6	3-6	-3.0	Odubel Herrera	The new Phillies leadoff hitter worked counts and got on base. We haven't seen that in a while.	Ben Revere	Now he can't even hit a single. And he still can't draw a walk even though he is batting directly in front of the pitcher's spot.
4/14/2015	Mets	Loss	5-6	3-5	-3.0	Chase Utley	For one game at least, he showed Josh Innes he still has it.	Ryan Howard	With runners in scoring position, our best hope is that he reaches base on a phantom catcher's interference call.
4/13/2015	Mets	Loss	0-2	3-4	-3.0	Freddy Galvis	With 3 hits in the game, he led the Phillies offense and raised his average to .400.	Chase Utley	His error in the 8th inning led to the Mets second run, and he didn't fare much better at the plate either.

4/12/2015	Nationals	Loss	3-4	3-3	-2.0	Cody Asche	His 3 hits, including a clutch RBI single, paced the Phillies offense.	Ryan Howard	His new nickname is "The Rally Killer," as he went 0 for 4 with four strikeouts, stranding six runners, including three in scoring position. He was mercifully replaced at first base by Darin Ruf in the eighth.
4/11/2015	Nationals	Win	3-2	3-2	-2.0	Odubel Herrera	His first MLB hit is a walk-off double.	Ben Revere	He is the leadoff hitter with no walks and who can't bunt.
4/10/2015	Nationals	Win	4-1	2-2	-2.0	Freddy Galvis	Reached base in all of his 4 plate appearances including an RBI single to give the Phils' an important insurance run.	Chase Utley	Batting .071 to start the season.
4/9/2015	Red Sox	Loss	2-6	1-2	-2.0	Dustin McGowan	Despite some shaky defense behind him, he kept the Red Sox off the board for 2 full innings.	David Buchanan	He became unglued after his throwing error in the 3rd inning.
4/8/2015	Red Sox	Win	4-2	1-1	-1.5	Aaron Harang	He makes a strong effort in his Phillies debut, going 6 1/3 innings yielding only 2 hits, 1 walk and no runs. Honorable mention goes to Jeff Francoeur, who ended the Phils' 14 inning scoreless streak with a 3-run homer.	Ryan Howard	Why didn't they trade him after yesterday's game? His trade value may never get any higher. Today he goes 0 for 4 with 2 strikeouts and misses a foul pop which cost Harang about 10 additional pitches.
4/6/2015	Red Sox	Loss	0-8	0-1	-1.0	Ryan Howard	His fourth inning double would have been a single last year, and the nice defensive play he made in the field would have been a hit allowed last year. Trade him now! Honorable mention to Carlos Ruiz for his two walks.	Cole Hamels	Based on his total number of innings pitched last season, he is currently on pace to surrender 163 home runs this season. Dishonorable mention to Jake Diekmann who loaded the bases and then gave up a slam.
