8/6/2016	Padres	Loss	7-9	51-61	-15.0	Ryan Howard	If he keeps hitting like he did in this game, perhaps he'll actually raise his average above 0.200 by the end of the season.	Jake Thompson	Welcome to the Big Show young man.

7/7/2016	Rockies	Loss	2-11	40-47	-11.0	Ryan Howard	Evidently the thin Colorado air is helping him to suck less.	Odubel Herrera	He didn't get on base, and didn't take advantage of his chances to knock in runs.

7/2/2016	Royals	Loss	2-6	36-46	-13.0	Maikel Franco	He gave the Phils an early lead with and RBI single in the first.	Tyler Goeddel	Less playing time of late seems to have hurt his timing as he struck out three times in this one.
7/1/2016	Royals	Win	4-3	36-45	-13.0	Odubel Herrera	Put the finishing touches on his All-Star bid with a lead-off home run and an RBI single.	David Hernandez	Another shaky outing, this time giving up a 2-run homer in the 8th inning to allow the Royals to pull within a single run.
6/29/2016	Diamondbacks	Win	9-8	35-45	-12.5	Cody Asche	All of his 3 hits and 3 RBI came in key situations.	Maikel Franco	An error in the field and an 0 for 4 at the plate.

6/25/2016	Giants	Win	3-2	32-44	-11.5	Jeanmar Gomez	A clean 9th gives him his 20th save of the year.	Freddy Galvis	He didn't move runners or get on base himself. Those are essentials for batting 2nd in the order.
6/24/2016	Giants	Loss	4-5	31-44	-12.5	Zack Eflin	Allowed only one unearned run and five hits with no walks in just his third career start.	Elvis Araujo	He blew the Phillies lead when he surrendered a bases clearing double in the 7th.

6/20/2016	Diamondbacks	Loss	1-3	30-41	-13.0	Tyler Goeddel	He had the lone hit with a runner in scoring position for the Phils.	Tommy Joseph	His struggles continue. Is it time to bring back Darin Ruf?

6/14/2016	Blue Jays	Loss	3-11	30-35	-10.0	Peter Bourjos	The only Phillie with a hit before the Blue Jays took a 9-0 lead.	Zack Eflin	It was a rough major league debut for the youngster.
6/13/2016	Blue Jays	Win	7-0	30-34	-10.0	Odubel Herrera	He delivered RBIs in 3 different plate appearances.	Tommy Joseph	His bat was held silent in this one.
6/12/2016	Nationals	Loss	4-5	29-34	-10.0	Maikel Franco	His 9th inning home run off of Papelbon would have been pretty sweet had the Phillies been able to hold the lead.	Cesar Hernandez	His shaky defense in the 8th nearly cost the Phillies the game. His shaky defense in the 9th did cost the Phillies the game.
6/11/2016	Nationals	Loss	0-8	29-33	-9.0	Cody Asche	He had a single and a walk in his first two plate appearances and an outfield assist on defense.	Cesar Hernandez	With runners on 2nd and 3rd and none out in the 2nd inning, he wasn't able to put the ball in play killing any momentum the Phillies had just gained.
6/10/2016	Nationals	Loss	6-9	29-32	-8.0	Tommy Joseph	Anyone who thinks Ryan Howard should be playing in front of him in any circumstance is simply insane.	Jeremy Hellickson	He was given a 4-0 lead and couldn't hold it, giving up 7 runs on 9 hits.
6/8/2016	Cubs	Loss	1-8	29-31	-7.5	Odubel Herrera	He and Cesar Hernandez started the game with base hits, but then it was all down hill from there.	Colton Murray	He imploded in the 8th inning ending any chance the Phils had at a comeback.
6/7/2016	Cubs	Win	3-2	29-30	-6.5	Jeanmar Gomez	Not only did he have to work 2 innings for this save, he inherited a bases loaded situation.	Cesar Hernandez	His 8th inning error gave the Cubs a run and nearly cost the Phils the game.
6/6/2016	Cubs	Loss	4-6	28-30	-6.5	Freddy Galvis	His 3 run dinger in the bottom of the 9th gave Phillies fans some short-lived hope.	Jimmy Paredes	Time for the newcomer to get some love (or lack thereof).
6/5/2016	Brewers	Win	8-1	28-29	-6.0	Jimmy Paredes	His three run blast in the 5th put the game out of reach.	Elvis Araujo	He is a tough luck dud as he didn't even give up an earned run, but he did walk the first batter he faced and that man scored the Brewers' only run.
6/4/2016	Brewers	Loss	3-6	27-29	-6.0	Cesar Hernandez	Gave the Phils an early 2 run lead with his first homer of the season.	Andrew Bailey	He gave up 2 runs in the top of the 9th which sealed the Phillies fate.
6/3/2016	Brewers	Win	6-3	27-28	-6.0	Cameron Rupp	He started the scoring with a long homer in the 3rd, and scored another run in the 4th following his team leading 11th double of the season.	Cody Asche	He's back (in case anyone actually cares).

6/2/2016	Brewers	Loss	1-4	26-28	-7.0	Hector Neris	He worked his way out of an inherited bases loaded no out jam in the 8th.	Andres Blanco	Was held hitless with 2 strikeouts.
6/1/2016	Nationals	Loss	2-7	26-27	-6.5	Tyler Goeddel	His 7th inning homer accounted for all of the Phillies runs on the day.	Adam Morgan	At least he made it to the 6th inning this time. Still he allowed another 6 runs for his 4th straight loss.
5/31/2016	Nationals	Loss	1-5	26-26	-5.5	David Hernandez	He tossed a perfect 7th inning to keep the Phils in the game.	Colton Murray	He walked the lead-off batter in the 9th and then started tossing batting practice.
5/30/2016	Nationals	Loss	3-4	26-25	-4.5	Jeremy Hellickson	He pitched 7 effective and efficient innings, and laid down an RBI safety squeeze at the plate.	Hector Neris	He walked 3 in the 8th inning, two of which scored the game tying and game winning runs.
5/29/2016	Cubs	Loss	2-7	26-24	-3.5	Tyler Goeddel	His 7th inning homer may have been too little too late, but at least it was something.	Vince Velasquez	He has now yielded five homers in his last two starts.
5/28/2016	Cubs	Loss	1-4	26-23	-2.5	David Lough	He singled and threw out at runner at the plate. No one else did much more than that.	Ryan Howard	After surpassing the 0.160 mark briefly a few games ago, his average is back down to 0.154 - worst in the majors among all qualifiers.
5/27/2016	Cubs	Loss	2-6	26-22	-2.5	Peter Bourjos	Two hits and a run scored for the Phils 9 hole hitter.	Adam Morgan	He gave up 6 runs on 8 hits in just 4 innings to suffer his third straight loss.
5/25/2016	Tigers	Win	8-5	26-21	-2.0	Peter Bourjos	After the Tigers got back into the game with a 3-run 5th, his homer in the 7th gave the Phillies some breathing room.	David Hernandez	He gave the Tigers life in the 7th when he gave up 2 hits and a walk before being lifted in the 7th having registered only 1 out.
5/24/2016	Tigers	Loss	1-3	25-21	-3.0	Freddy Galvis	The only Phillie with 2 hits and the only Phillie with a run scored.	Tyler Goeddel	He looked more like the Tyler Goeddel of April in this one.
5/23/2016	Tigers	Loss	4-5	25-20	-2.0	Tommy Joseph	Hopefully today's Stud & Dud selections can be looked back on as a ceremonial changing of the guard at first base for the Phillies.	Ryan Howard	It's time to end the suffering and grant this guy his release.
5/22/2016	Braves	Win	5-0	25-19	-2.0	Jerad Eickhoff	In his finest performance of the season-to-date, he pitched five-hit ball over seven innings and won for the first time since April 13.	Tommy Joseph	Went 0 for 4 and was the only Phillie starting position player without at least one hit, yet he still performed better than Ryan Howard has been performing of late.
5/21/2016	Braves	Loss	0-2	24-19	-2.0	David Lough	Had one of the Phillies' two hits and made a nice defensive play in right field.	Odubel Herrera	He misjudge a couple of fly balls in centerfield leading to undeserved hits for the Braves.
5/20/2016	Braves	Loss	1-7	24-18	-2.0	Cameron Rupp	Hit his team leading 9th double and was the only Phillie with multiple hits in this game.	Maikel Franco	Made a pair of errors, including a costly throwing miscue in the seventh that resulted in three unearned runs.
5/18/2016	Marlins	Win	4-2	24-17	-0.5	Tyler Goeddel	He delivered the Phillies' first home run from a corner outfielder so far this season. He has been carrying the Phils of late, batting 0.476 in his last 6 games.	Ryan Howard	He is now batting 0.168 on the season. In the third inning he struck out with runners on 2nd and 3rd and no one out. Right handed pitcher or not, Tommy Joseph couldn't do any worse - just sayin'...
5/17/2016	Marlins	Win	3-1	23-17	-0.5	Tommy Joseph	Hit the first home run of his career, had the first 3 hit game of his career, and assisted on the final out of the game.	Carlos Ruiz	Over the past two games he is 0 for 6 with runners on base.

5/16/2016	Marlins	Loss	3-5	22-17	-1.5	Tyler Goeddel	In his first career 3 hit game, he was 1 for 1 with RISP, while the rest of the team was 0 for 12.	Peter Bourjos	The Phillies corner outfielders have zero home runs thus far this season. The problem with Bourjos is he isn't hitting for average or walking either.
5/15/2016	Reds	Loss	4-9	22-16	-1.0	Maikel Franco	Most of his damage came after the game was in hand for the Reds, but it's not like anyone else did much before the Reds' big 4th inning.	Adam Morgan	Lasted just 3 2/3 innings, matching the shortest outing of his career. He allowed seven runs and eight hits.
5/14/2016	Reds	Win	4-3	22-15	-1.0	Tyler Goeddel	In addition to his 2 hits and a walk, he made a perfect, no hop throw to the plate in the bottom of the ninth to cut down the potential game tying run and end the game.	David Hernandez	He has an ERA of 18.00 versus the Reds, and an ERA of 1.17 versus everyone else.
5/13/2016	Reds	Win	3-2	21-15	-1.5	Jeremy Hellickson	He pitched 7 strong innings yielding no earned runs, but it was his execution of the safety squeeze that clinched him the stud.	Odubel Herrera	Was caught stealing the only time he reached base.
5/12/2016	Braves	Win	7-4	20-15	-1.5	Odubel Herrera	After walking once and collecting 4 hits in this game he now has 26 walks to 25 strikeouts on the year after walking just 28 times all of last season.	Darin Ruf	His strikeout on 3 pitches with runners on first and third with one out in the tenth inning may be his ticket out of town. Let the Tommy Joseph era begin!
5/11/2016	Braves	Loss	1-5	19-15	-2.5	Ryan Howard	He broke up a no hitter and a shut out bid with one swing of the bat.	Maikel Franco	He was shaky in the field and impatient at the plate.
5/10/2016	Braves	Win	3-2	19-14	-1.5	Maikel Franco	His 3 hits and 2 runs scored paced the Phillies' offense. Honorable mention to Adam Morgan who pitched a strong 7 innings.	Ryan Howard	Another 0 for 4 for the Big Whiffer, but on the bright side he only struck out once in this game.
5/8/2016	Marlins	Win	6-5	18-14	-2.0	Cesar Hernandez	Had a nice game both at the plate in the field to lead the Phils to victory.	Andrew Bailey	He had pitched well until this point, but today he allowed 2 runs on 3 hits in just a third of an inning of work, costing the Phils the lead.
5/7/2016	Marlins	Win	4-3	17-14	-2.5	Colton Murray	He quenched the fire in the 6th inning, stranding 2 inherited runners in 2/3 of an inning pitched. That kept the game close and set up the Phillies for their first win when trailing going into the 7th inning.	Carlos Ruiz	He took and 0 for 4 and had a few shaky plays behind the plate.
5/6/2016	Marlins	Loss	4-6	16-14	-3.5	Peter Bourjos	He reached base safely in each of his 4 plate appearances including 2 walks, 2 hits, and 2 RBI.	Cesar Hernandez	He had multiple chances to move or drive in base runners but failed at each opportunity.
5/5/2016	Cardinals	Loss	0-4	16-13	-3.5	Freddy Galvis	He made several nice defensive plays throughout the game, and his single in the 9th kept the line moving for a potential Phillies comeback which unfortunately never materialized.	Peter Bourjos	The Cardinals are competitive every year and one of the best run organizations in MLB. The Phillies should have known this guy wasn't going to be any good if the Cardinals didn't want him.
5/4/2016	Cardinals	Loss	4-5	16-12	-3.5	Ryan Howard	He sandwiched in a 3 run homer between his normal diet of strikeouts.	David Lough	The sad thing is he might be the Phillies' best corner outfielder right now.
5/3/2016	Cardinals	Win	1-0	16-11	-2.5	Aaron Nola	Has now gone 20 consecutive innings without allowing a run.	Freddy Galvis	His on base percentage has dropped to 0.255. Unfortunately there is no better option for the 2 hole.

5/2/2016	Cardinals	Loss	3-10	15-11	-3.5	Freddy Galvis	Once again he was the RBI man for the Phils offense.	Jeremy Hellickson	He was given an early 3-0 lead which he ultimately frittered away thanks in large part to 3 home runs allowed.
5/1/2016	Indians	Win	2-1	15-10	-2.5	David Hernandez	His two innings gave the Phils' relievers 20 straight without allowing a run.	Maikel Franco	His 0 for 3 day capped a 1 for 9 series against the Indians.
4/30/2016	Indians	Win	4-3	14-10	-2.5	Freddy Galvis	Homered and had the go-ahead single to lead the Phillies to their fifth straight win.	Ryan Howard	Evidently the Ryan Howard of 2008 who time travelled to 2016 yesterday has returned back to the past.
4/29/2016	Indians	Win	4-3	13-10	-2.5	Ryan Howard	His 11th inning walk-off homer was a blast from the past.	Freddy Galvis	With one out and the bases loaded in the bottom of the 10th inning he went down swinging at balls in the dirt.
4/28/2016	Nationals	Win	3-0	12-10	-2.5	Aaron Nola	He bounced back strong after a couple of rough outings with only 2 hits allowed and no runs in 7 innings.	Darin Ruf	He failed to put the ball in play with the bases loaded and no outs in the top of the 9th.
4/27/2016	Nationals	Win	3-0	11-10	-3.5	Jeremy Hellickson	Pitched a strong 7 innings yielding no runs and just two hits. Also contributed at the plate with a key sacrifice bunt which led to a run in the 7th.	Freddy Galvis	He twice grounded into a double play to end a scoring threat.
4/26/2016	Nationals	Win	4-3	10-10	-4.5	Andres Blanco	His three hits included a two-run homer and he scored the go-ahead run on Maikel Franco's seventh-inning double.	Peter Bourjos	The scrap heap right fielder is now batting 0.182 with an OBP of 0.196.
4/24/2016	Brewers	Loss	5-8	9-10	-5.5	Cesar Hernandez	He was a key cog in two of the Phillies' run scoring innings.	Ryan Howard	He is now batting 0.183. Regardless of his salary, there has to be someone in the minors more deserving of playing time at first base.
4/23/2016	Brewers	Win	10-6	9-9	-4.5	Odubel Herrera	The first Phillies player since 1900 to score 4 runs with a home run and 2 stolen bases in a single game.	Dalier Hinojosa	He gave up two thirds of the Phillies lead in the eighth inning. The only two outs he recorded were both near home runs.
4/22/2016	Brewers	Win	5-2	8-9	-4.5	Maikel Franco	He busted out of his recent slump in a big way by blasting a pair of long home runs.	David Lough	He was 0 for 2 with RISP, and was caught stealing the only time he reached base.
4/20/2016	Mets	Win	5-4	7-9	-5.0	David Lough	The Phillies are finally getting some offensive production from a corner outfielder.	Jeremy Hellickson	He surrendered 4 runs on 10 hits and couldn't survive the fifth inning.
4/19/2016	Mets	Loss	1-11	6-9	-5.0	Andres Blanco	With another two hits he continues to sport the Phillies' best batting average.	Vince Velasquez	He was hurt by an error in the field in the third, but he wasn't sharp in this one and couldn't even survive the fifth inning.
4/18/2016	Mets	Loss	2-5	6-8	-4.0	Freddy Galvis	He doubled and stole third base in the third inning to set up the Phillies' first run.	David Hernandez	He gave up back to back homers in the 8th, allowing the Mets to seal victory.
4/17/2016	Nationals	Win	3-2	6-7	-4.0	Andres Blanco	His pinch hit RBI single in the 10th tied the game and gave the Phils new life. He is the only Phillie with 10 or more at bats hitting above the 0.300 mark. Why isn't he getting more playing time?	Maikel Franco	Pitchers are starting to figure out they don't have to throw the ball over the plate to him because he'll swing at just about anything.

4/16/2016	Nationals	Loss	1-8	5-7	-5.0	Cameron Rupp	Accounted for the Phillies only run with a titanic blast in the fifth.	Aaron Nola	The second Phillies' starter roughed up by the Nationals in as many games.
4/15/2016	Nationals	Loss	1-9	5-6	-4.0	Odubel Herrera	He was the only Phillie to reach base more than once while the eventual outcome of the game was still somewhat in doubt.	Jeremy Hellickson	He gave up 5 earned runs in the first inning and on top of that he gave up two extra base hits to Jayson Werth. That's always a prescription for dud of the game.
4/14/2016	Padres	Win	3-0	5-5	-3.0	Vince Velasquez	If the Cy Young were awarded after the first 10 games of the season, he'd be your winner.	Cesar Hernandez	Despite their recent run of success, the Phils still have huge issues on offense and that starts at the top of the order where Cesar just isn't getting it done.
4/13/2016	Padres	Win	2-1	4-5	-3.0	Jerad Eickhoff	Goes 7 strong shutout innings allowing just 4 hits and no walks while striking out 9.	Ryan Howard	His error in the 8th could have been costly, and it was both a mental error and a physical error, as he should have taken the easy out at first.
4/12/2016	Padres	Win	3-0	3-5	-3.0	Charlie Morton	Ground Chuck had it working for 6 and 2/3 innings, giving up 3 hits and no runs.	Cesar Hernandez	He grounded out on just one pitch in his first at bat and failed at a sacrifice bunt in his last at bat. In between he had two other fruitless efforts.
4/11/2016	Padres	Loss	3-4	2-5	-3.0	Maikel Franco	He had 3 hits in this game, and if it had been played in the days before instant replay, he also would have been credited with an outstanding defensive play.	Freddy Galvis	An 0 for 4 collar drops his average down to 0.179.
4/10/2016	Mets	Win	5-2	2-4	-2.0	Hector Neris	Along with Jeanmar Gomez, he has brought some stability to the Phillies much beleaguered bullpen. He tossed two perfect innings in this one.	Carlos Ruiz	He accounted for six outs in just four at bats in this game - two groundouts, one GDIP, and one caught stealing after reaching on a fielder's choice.
4/9/2016	Mets	Win	1-0	1-4	-2.0	Vince Velasquez	He pitched a solid 6 shutout innings to become the 4th Phillies' starting pitcher to win stud status in the first 5 games of the season.	Cedric Hunter	The Phillies may have scored a second run in the 5th inning if he could have moved the runner rather than grounding into a double play as he did.
4/8/2016	Mets	Loss	2-7	0-4	-2.5	Jerad Eickhoff	He gets this stud for his offense more so than his pitching as he collected the Phillies' only extra base hit and scored their first run.	James Russell	He has been dreadful this season. His ERA is currently 81.00.
4/7/2016	Reds	Loss	6-10	0-3	-2.0	Cedric Hunter	His home run in the fourth gave the Phillies a short-lived early lead.	Odubel Herrera	Went 0 for 5, committed his second error of the young season, and failed to advance 2 runners with no one out in the third.
4/6/2016	Reds	Loss	2-3	0-2	-2.0	Aaron Nola	Gave up just one run and 4 hits over 7 strong innings while striking out a career high 8 batters.	Dalier Hinojosa	Thus far this season, the Phils starters have a combined ERA of 0.69 while the bullpen has a combined ERA of 13.50.
4/4/2016	Reds	Loss	2-6	0-1	-1.0	Jeremy Hellickson	He gave up only one unearned run in 6 economical innings. Ultimately, Mackanin should have left him in at least one additional inning.	Ryan Howard	His error let in the Reds first run and his performance at the plate was utterly ineffective.
