#### **Commentary:**

Congratulations to Dan, Champion of the 2013 Tour de France Fantasy League! No prior contest was harder fought and no prior champion was more deserving... Congratulations also to White Jersey winner James who had a very fine performance for a rookie.

After holding the Pink Jersey on Stage 1, Tricia didn't see it again until Stage 21, but that's all she needed to be this year's Pink Jersey Champion.

Several records were broken during this year's contest. Here is a sampling of those records set this year:

Closest Finish - 948 points. The previous closest finish was in 2009 when Matt Dwyer defeated Rob Thomas by 1,198 points.

Highest mean score for all contestants - 43,538 points. The previous high was 41,140 last year.

Highest score for the Pink Jersey Champion (Tricia Alward) - 43,669 points. Previous high was Patti Stinnett with 42,185 points in 2010.

Highest score for last placed contestant (Greg Brentrup) - 24,520 points. Previous high was Niki Decker with 22,393 points in 2009.

Most PMRSS Yellow Jersey changes in one contest - 9 (Tie). There were also 9 Yellow Jersey changes in 2009.

Latest Yellow Jersey change - 2nd to last stage. Previous record was the 4th to last stage in 2009.

Most stages in the Yellow Jersey in one contest without winning the overall championship - Michael with 13 tying Dan McClure from last year.

By winning the overall championship, Dan finishes on the podium for a record 5th time. Jeff is second in podium finishes with 4 total.
