** The asses have dropped out of the league. The 2009 Final Rosters page has been updated to reflect this.

- Draft order was determined by the final regular season standings from 2009 (worst to first).
- Any player on the final free agent list from 2009 (free agent or non-free agent) is eligible for the draft.
- A player may only be drafted one time.
- The player drafted will be added to your 2009 final roster.
- Up to 4 total players from your 2009 final roster (draft pick included) may be reserved for 2010.
- A team may not make their draft pick until the Commissioner receives the first half of their 2010 entry fee (25 beanos).
- Teams missing their payment will be passed over in the draft. Once payment is received, they may select.
- Teams may give the Commissioner a "proxy list" should they not be available on their given date and time.
