

ESFFL 2026 Power Rankings

Week 4 Poll

First and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
1	4	buffenuff	4	0	0	705.0
2	5	house-of-pain	3	1	0	680.5
Despite suffering their first loss of the season, the house-of-pain can still celebrate rising three spots in the Power Rankings and surpassing the 50,000 mark in all-time points scored.						
3	7	brats	3	1	0	719.5
4	11	gallopingscallops	3	1	0	700.5
5	2	shadowtalons	3	1	0	672.5
6	3	hammerheads	3	1	0	652.5
7	6	maulers	2	2	0	683.5
8	12	wallabies	3	1	0	641.5
9	13	pinkslippers	3	1	0	670.5
10	14	pintails	2	2	0	688.0
The pintails owner and Ella Langley, who are both "Choosin' Texas," also both had streaks end this week. For Ella, it was 23 weeks atop the Billboard charts, for the pintails, it was two consecutive wins.						

Second and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
11	8	cockatiels	2	2	0	672.5
12	18	sluggas	2	2	0	640.0
13	20	alicorns	3	1	0	625.0
The alicorns' owner is applying the lean principles he is referring to as ABS - The Alicorn Business System. As part of ABS, the alicorns are sticking with a 20-man roster. They view the additional two Taxi Squad positions as waste since the cost to acquire two more players would cut into organizational profits. We'll see what happens when the alicorns start losing. Prediction markets seem to believe there will be massive re-organization if and when any extensive losing becomes prevalent.						
14	21	peeps	3	1	0	614.5
Despite three touchdowns from Brian, the peeps still lost the battle of the B. Robinsons. More importantly though, they won the war against the gallopingscallops.						
15	1	black&blues	3	1	0	591.5
16	9	colonels	2	2	0	648.5
17	10	salamanders	3	1	0	607.5
18	22	fellas	3	1	0	573.0
19	23	victors	2	2	0	648.0
20	17	bayfoxes	2	2	0	630.0

Third and Long:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
21	15	eagles	2	2	0	608.5
22	24	toucans	2	2	0	607.0
23	25	heavys	2	2	0	601.0
In their Week 3 win the heavys became just the sixth team in ESFFL history to surpass the 40,000 mark in all-time points scored.						
24	26	locks	1	3	0	645.5
25	19	chowdaheadz	1	3	0	630.5
26	27	merchants-of-cool	2	2	0	591.0
27	16	hurts	1	3	0	628.0
28	30	cockapoos	1	3	0	576.0
29	31	fumblers	2	2	0	537.5
30	32	fettuccine	1	3	0	585.5
The fettuccine picked up their first win of the season behind another strong showing from their quarterback, Jared Goff, who became the first quarterback in NFL history to have 1,200 passing yards, 10 touchdown passes, with no interceptions in the first four games of a season.						

Fourth and Unlikely:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
31	33	knockers	1	3	0	567.0
32	35	fungi	1	3	0	552.5
33	28	seasmoke	1	3	0	534.5
In preparation for their Week 5 contest against fellow Bottom 4 bombers, the seasmoke owner is watching past episodes of <i>Love Connection</i> in hopes that Jordan and Jeremiyah can carry the team while Lamar Jackson and Saquon Barkley are on the shelf.						
34	29	knights	0	4	0	565.5
35	34	unhungchads	0	4	0	541.0
36	36	bombers	0	4	0	478.5
The bombers' owner is growing quite upset with the performance of Kyle Pitts who now has just 7.5 total fantasy points over the season's first 4 weeks. For the sake of they own health, they should relax about their tight end and get the new blood screening for colon cancer.
