

ESFFL 2026 Power Rankings

Week 5 Poll

First and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
1	3	brats	4	1	0	924.0
2	4	gallopingscallops	4	1	0	869.5
3	5	shadowtalons	4	1	0	860.0
4	6	hammerheads	4	1	0	824.5
5	1	buffenuff	4	1	0	860.0
The buffenuff saw their undefeated run to start the season come to an end and they've dropped from the top spot in the rankings to fifth, yet team ownership is still more disappointed by the fact Guillermo was voted off <i>Dancing With The Stars</i> .						
6	7	maulers	3	2	0	885.0
7	9	pinkslippers	4	1	0	851.5
8	2	house-of-pain	3	2	0	837.0
9	12	sluggas	3	2	0	820.0
As a long time owner of Jameson Williams, the sluggas are finally starting to get some significant contributions from him. Much like the whiskey, this Jameson had to age several years before he was any good.						
10	15	black&blues	4	1	0	767.0

Second and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
11	10	pintails	2	3	0	852.0
12	16	colonels	3	2	0	810.5
13	19	victors	3	2	0	851.0
Getting 100 combined points from Drake Maye, Jahmyr Gibbs, and Puka Nacua was a boon for the victors in Week 5, leading them to their third win in the last four weeks.						
14	21	eagles	3	2	0	793.5
15	24	locks	1	4	0	814.0
16	25	chowdaheadz	2	3	0	820.5
The Week 5 win for the chowdaheadz was also their 100th win in franchise history.						
17	11	cockatiels	2	3	0	820.0
18	26	merchants-of-cool	3	2	0	753.0
19	8	wallabies	3	2	0	802.0
20	14	peeps	3	2	0	780.5

Third and Long:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
21	27	hurts	2	3	0	812.0
22	20	bayfoxes	2	3	0	799.5
23	23	heavys	2	3	0	775.0
24	13	alicorns	3	2	0	769.0
25	22	toucans	2	3	0	781.0
26	29	fumblers	3	2	0	756.5
The 219 points scored by the fumblers in Week 5 is the second highest single week score in ESFFL history and 56.5 points more than the fumblers had ever scored in a single week before.						
27	17	salamanders	3	2	0	727.0
28	18	fellas	3	2	0	718.5
29	31	knockers	2	3	0	708.5
30	32	fungi	2	3	0	727.0
31	33	seasmoke	2	3	0	699.5
Why are the seasmoke on page 3 of the Power Rankings rather than page 4? It's a long story, and the solution to an ethical conundrum among the Power Rankings' contributors. However, it did lead to a Week 5 edition of The Second Street Superstars Report which you can view by clicking here: https://esfflcom.wordpress.com/wp-content/uploads/2026/10/2026_pr_05_p31.png						

Fourth and Unlikely:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
32	30	fettuccine	1	4	0	727.5
33	28	cockapoos	1	4	0	696.5
34	34	knights	0	5	0	720.0
35	35	unhungchads	0	5	0	687.5
The unhungchads suffered significantly at the quarterback position in Week 5. Jalen not having most of his weapons really Hurts, and the 2 fantasy point performance from Tyler was a stark reminder that "Shough" rhymes with "suck" and not "dough."						
36	36	bombers	0	5	0	611.0
Justin Herbert is now 0-5 as a member of the bombers and 0-5 as a member of the Chargers. Yet he doesn't seem to care, likely because he still gets to come home each night and have a Beer. The bombers' owner is familiar with Madison and beer, yet this Beer has nothing to do with the city in Wisconsin or what gets brewed in brewcity. Click here to view Justin and his Beer: https://esfflcom.wordpress.com/wp-content/uploads/2026/10/2026_pr_05_p36.jpg
