

ESFFL 2026 Power Rankings

Week 6 Poll

First and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
1	1	brats	5	1	0	1,070.5
Since appearing on the Week 2 ESFFL podcast, the brats are a perfect 5-0. Just sayin'.						
2	3	shadowtalons	5	1	0	1,000.5
3	4	hammerheads	5	1	0	1,001.5
4	2	gallopingscallops	4	1	1	1,013.5
5	5	buffenuff	4	2	0	968.5
6	6	maulers	4	2	0	1,009.5
7	7	pinkslippers	4	2	0	987.0
8	8	house-of-pain	4	2	0	963.5
9	10	black&blues	4	1	1	911.0
A six yard run from Christian McCaffrey with less than 2 minutes left in the Monday Night game, prevented the black&blues from losing and gave them with their first tie in team history.						
10	11	pintails	3	3	0	992.0

Second and 10:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
11	12	colonels	4	2	0	956.5
12	14	eagles	4	2	0	937.0
13	13	victors	3	3	0	974.5
With three of their players on bye and three of their players on injured reserve, it was easy to see why the victors weren't victorious in Week 6.						
14	17	cockatiels	3	3	0	947.0
15	19	wallabies	4	2	0	954.0
16	21	hurts	3	3	0	967.0
17	16	chowdaheadz	2	4	0	942.5
The chowdaheadz's goal to win at least \$111 beanos this season (3X their winnings from last year) took a big hit last week with their fourth loss in six weeks.						
18	23	heavys	3	3	0	919.5
19	9	sluggas	3	3	0	913.5
20	25	toucans	3	3	0	909.0

Third and Long:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
21	28	fellas	4	2	0	861.5
22	20	peeps	3	3	0	896.5
With Josh Allen on bye in Week 7, the peeps will likely need a strong game from Kyler Murray to muster a win this week. While Murray has performed well when on the field thus far this season, there is one pressing issue that could affect his play going forward: <i>Call of Duty Modern Warfare 4</i> is being released on Friday.						
23	15	locks	1	5	0	936.5
24	22	bayfoxes	2	4	0	913.0
25	30	fungi	3	3	0	885.5
The fungi wanted 3 wins to start the season and 3 wins in weeks 4 through 6. They only got the latter, but those 3 wins over the last 3 weeks were much needed to stay in the playoff race. It only goes to prove that Mick and Keith's 57-year old maxim is true: You can't always get what you want, but if you try some times you just might find, you get what you need.						
26	24	alicorns	3	3	0	880.0
27	18	merchants-of-cool	3	3	0	862.5
28	26	fumblers	3	3	0	878.5
29	27	salamanders	3	3	0	837.5
30	33	cockapoos	2	4	0	827.0

Fourth and Unlikely:

<u>Rank</u>	<u>Last Week</u>	<u>Team</u>	<u>W</u>	<u>L</u>	<u>T</u>	<u>Points</u>
31	29	knockers	2	4	0	834.5
32	31	seasmoke	2	4	0	828.5
33	36	bombers	1	5	0	737.0
The bombers finally broke through with their first win of the season in Week 6. Evidently they learned how to play winning football by spending their Saturday afternoon watching The Ohio State Buckeyes play.						
34	32	fettuccine	1	5	0	847.0
35	34	knights	0	6	0	810.0
36	35	unhungchads	0	6	0	798.5
Perhaps the unhungchads' owner should have been shopping for a new tight end rather than the Wicked Weed Ale that ended up in his shopping cart as you can see here: https://esfflcom.wordpress.com/wp-content/uploads/2026/10/2026_pr_06_p36.jpg
