ESFFL 2026 Power Rankings

Week 7 Poll

First and 10:

Rank	Last Week	Team	W	L	T	Points
1	1	brats	6	1	0	1,223.5
2	3	hammerheads	6	1	0	1,157.0
3	4	gallopingscallops	5	1	1	1,150.0
4	2	shadowtalons	5	2	0	1,148.5
5	5	buffenuff	5	2	0	1,098.5
6	7	pinkslippers	5	2	0	1,134.5
7	8	house-of-pain	5	2	0	1,102.5
Tee Higgins benefited from a great Average Separation Score on his way to 19 fantasy points in Week 7. The house-of-pain owner loves his A.S.S. almost as much as the president does: https://www.youtube.com/shorts/A6Ph9GEBL20						
8	6	maulers	4	3	0	1,127.5
9	13	victors	4	3	0	1,104.5
During their Week 7 win, the victors surpassed the 25,000 mark in all-time points scored.						
10	15	wallabies	5	2	0	1,090.5

Second and 10:

Rank	Last Week	Team	W	L	T	Points
11	9	black&blues	4	2	1	1,055.5
12	10	pintails	3	4	0	1,124.0
13	11	colonels	4	3	0	1,073.5
14	12	eagles	4	3	0	1,065.0
15	18	heavys	4	3	0	1,036.5
16	19	sluggas	4	3	0	1,057.5
The sluggas' owner had an extra $2 burning a hole in his pocket so he decided he would honor Amari Cooper by signing him to a one hour contract so he could retire a lousiville slugga.						
17	21	fellas	5	2	0	1,025.5
18	16	hurts	3	4	0	1,076.5
19	14	cockatiels	3	4	0	1,072.5
20	22	peeps	4	3	0	1,048.0
The peeps owner travelled all the way to Paris and dodged government protests just to cheer on Tyler Shough and Chris Olave. They may have not led the Saints to victory, but they did help the peeps pick up a win to move above the 0.500 winning percentage benchmark.						

Third and Long:

Rank	Last Week	Team	W	L	T	Points
21	23	locks	2	5	0	1,069.0
22	24	bayfoxes	3	4	0	1,068.0
23	27	merchants-of-cool	4	3	0	999.5
24	17	chowdaheadz	2	5	0	1,054.0
25	20	toucans	3	4	0	1,035.0
26	29	salamanders	4	3	0	965.5
The salamanders where buoyed by 22.5 fantasy points from Quinshon Judkins, who ended an ugly streak of 385 calendar days without a game with a yards per carry average above 4.0.						
27	25	fungi	3	4	0	1,011.0
28	28	fumblers	3	4	0	998.5
29	30	cockapoos	3	4	0	974.5
30	26	alicorns	3	4	0	971.0
Given the alicorns' current three game losing streak, perhaps their owner should use some of the available time that comes with a self-driving car to make some moves to improve his roster.						

Fourth and Unlikely:

Rank	Last Week	Team	W	L	T	Points
31	31	knockers	3	4	0	966.5
There's a chill in the air, and Halloween is just around the corner, and it looks like the knockers' Bryce Young is turning back into a pumpkin.						
32	32	seasmoke	2	5	0	944.0
Despite being given a 83% percent chance of victory by Air Mo AI and a 91.3% chance of victory by ThatchGPT going into the Monday Night Game, the seasmoke still couldn't muster a Week 7 win.						
33	33	bombers	1	6	0	826.5
34	34	fettuccine	1	6	0	977.5
35	35	knights	0	7	0	929.0
36	36	unhungchads	0	7	0	906.0
