ESFFL 2026 Power Rankings

Week 8 Poll

First and 10:

Rank	Last Week	Team	W	L	T	Points
1	1	brats	7	1	0	1,396.5
2	2	hammerheads	7	1	0	1,306.0
3	3	gallopingscallops	6	1	1	1,319.5
4	4	shadowtalons	6	2	0	1,277.5
5	6	pinkslippers	6	2	0	1,303.0
6	7	house-of-pain	6	2	0	1,266.5
With their Week 8 win, the house-of-pain have taken over sole possession of the top spot on the ESFFL All-Time Wins List for the first time since Week 14 of the 2024 season.						
7	11	black&blues	5	2	1	1,186.5
8	12	pintails	4	4	0	1,290.5
9	5	buffenuff	5	3	0	1,249.0
Despite their Week 8 loss, the buffenuff became just the 7th team in ESFFL history to surpass the 40,000 mark in all-time points scored.						
10	9	victors	4	4	0	1,251.5

Second and 10:

Rank	Last Week	Team	W	L	T	Points
11	10	wallabies	5	3	0	1,246.0
12	8	maulers	4	4	0	1,246.0
It's a bit that never gets old. The maulers can sum up their Week 8 woes in one six second clip. Click here to view: https://www.youtube.com/watch?v=rTkkklmeFOU						
13	14	eagles	4	4	0	1,226.0
14	15	heavys	5	3	0	1,163.5
15	16	sluggas	5	3	0	1,233.5
16	17	fellas	6	2	0	1,186.5
17	19	cockatiels	4	4	0	1,198.0
18	13	colonels	4	4	0	1,182.0
At least the colonels' Caleb Williams had comfortable feet in his "science" cleats. However, they didn't give him enough of a boost to surpass Geno Smith's 16 fantasy points, and it's this power rankings' contributor's opinion that they won't stop him from crying again in the future.						
19	23	merchants-of-cool	5	3	0	1,127.0
20	18	hurts	3	5	0	1,197.5

Third and Long:

Rank	Last Week	Team	W	L	T	Points
21	20	peeps	4	4	0	1,148.5
22	22	bayfoxes	3	5	0	1,211.0
23	24	chowdaheadz	3	5	0	1,184.0
24	27	fungi	4	4	0	1,166.5
25	31	knockers	4	4	0	1,115.5
The knockers lead the ESFFL in number of free agent moves made thus far this season with 42 beanos worth of moves. Fortunately they avoided the North Korean hackers and were able to electronically transfer additional funds to league headquarters so they can continue making moves and continue their recent hot streak.						
26	21	locks	2	6	0	1,193.5
27	25	toucans	3	5	0	1,148.5
28	28	fumblers	3	5	0	1,146.0
Evidently, the fumblers still aren't believers in Tony Pollard. They've left the Titans' running back on their Taxi Squad for two consecutive weeks while he has averaged 31 points per week.						
29	26	salamanders	4	4	0	1,082.0
30	29	cockapoos	3	5	0	1,104.0

Fourth and Unlikely:

Rank	Last Week	Team	W	L	T	Points
31	32	seasmoke	3	5	0	1,085.5
The seasmoke hope they can continue riding the hot hand of Braelon Allen despite the impending return of Breece Hall to the Jet's lineup. Allen had back-to-back 100 yard rushing games for the 'smoke in Weeks 7 and 8. That's something Hall has yet to accomplish in his career.						
32	30	alicorns	3	5	0	1,059.0
33	35	knights	1	7	0	1,078.0
34	33	bombers	1	7	0	911.5
35	34	fettuccine	1	7	0	1,076.0
36	36	unhungchads	0	8	0	1,044.5
We are now a full 8 games into the season and the unhungchads have yet to surpass the midlantic meatcurtains on the ESFFL All-Time Wins List.
